

Steeple Run's 2010 Spring Flower Sale

Steeple Run's Flower Sale, just like spring, is right around the corner! Peterman Greenhouses of Portage, Michigan will be providing high quality annuals and baskets for our sale, as well as patio pots and a selection of vegetables. Remember, you don't have to be a Steeple Run family member to purchase, so grab an order form for your neighbors - they'll thank you for it!

Ordering is easy!!!

1. Flip over and find the order form on the opposite side. Fill in name, phone number, your child's grade and teacher on the order form.
2. Choose your flowers. Check out the photo display in the lobby of Steeple Run to get an idea of what the flowers actually look like or visit the website at www.nashgreenhouse.com for their catalog.
3. Fill in the quantity for each category of flats, baskets, pots or carriers.
4. Calculate the total for your order.
5. Make your check payable to Steeple Run Home and School with "flower sale" on the memo line. Also, **please mark your envelopes Home and School - Flower Sale.**
6. Return form with check to school no later than **TUESDAY, MARCH 23rd, 2010.**

The pick up date for the flowers is Saturday, May 8th, 2010 on the Steeple Run playground - rain, snow or shine, no joke!

Happy Planting!
